

REQUEST AN IMPROVEMENT TO YOUR SHARED AREAS

If you live in a general needs or a mixed tenure property and you have an idea about how we can improve a shared area, let us know, as you may be able to apply for a grant to have these works done.

All you need to do is tell us a bit more about your request, and one of our officers will contact you to discuss whether it will be feasible or not, and how to take your idea forward. Examples of improvements can include bike storage, a new bin area, shared garden landscaping or additional security such as a gate. For more information, contact a member of the Estate Services Team on **020 8354 5500**.
